

### NNEDV

### **Instructions for Participating Programs**

# \* Save the Date: Wednesday, September 16, 2015 (8 a.m. ET – 7:59 a.m. on Thursday, September 17, 2015 ET) \*

This Census Survey is part of an initiative to better count the individuals served by local domestic violence programs in a single day. Please try to answer the questions as accurately as possible. Your program's individual results will not be reported separately, and this Survey is not tied to your program's funding.

### \* Informational Conference Call for Local DV Programs \*

You do NOT need to listen to this call to participate in the Census Count. This call is an informational overview for those who are unfamiliar with the Census or who are looking for additional guidance.

The call will last 30 minutes. It will be held at 4 p.m. Eastern Time (3 p.m. CT, 2 p.m. MT, 1 p.m. PT, Noon Alaska, 10 a.m. Hawaii, 9 a.m. America Samoa, 6 a.m. (Th. 9/10) Guam/N Marianas) on **Wednesday, September 9th.** 

**Call-in information:** Number: 1-888-447-7153 // Passcode: 916529

### **Table of Contents**

Please review the information provided in this packet before the Survey Day. If you have any questions about this initiative, please contact your state coalition or NNEDV's Census Team at census@nnedv.org.

### **Instructions for Participating Programs**

#### What is Domestic Violence Counts?

- The National Network to End Domestic Violence (NNEDV) is working with state and territorial domestic violence coalitions to create a snapshot of domestic violence services provided across the U.S. in a 24hour period.
- This snapshot count offers both a statewide and national picture of the number of people seeking services, the number of people that local programs were unable to serve because of a lack of resources, and the overall scope of services that local programs provided.

### NNEDV

### **Instructions for Participating Programs**

### Who should participate?

Only primary-purpose domestic violence programs should participate in the Census. The purpose of the
Census is to gather an unduplicated count of people accessing nonprofit domestic violence advocacy
services. It is not intended to count the number of victims who may visit an emergency room, police
department, government agency, or criminal justice agency on that day.

### How will participating in the Census benefit my program?

- NNEDV develops a national report and a state summary of the survivors served and the services that
  programs provided, which will be provided to participating programs. Your organization can use this
  information in a number of different ways. Use the Census Report to:
  - Help pursue state legislative reforms;
  - Help increase funding by showing your program's benefits and the impact of limited resources;
  - o Create compelling grant reports or applications to funders and potential funders; and/or
  - o Inform community outreach, training, and volunteer support.

### What do I need to do BEFORE the Survey Day?

- **Read** this survey packet and contact <a href="mailto:census@nnedv.org">census@nnedv.org</a> with questions.
- **Identify** which staff member will be responsible for collecting the information during the 24-hour period and who will enter the information online.
- **Discuss** how you will count the number of people served and the number of requests that your program was unable to meet.
- Ask your colleagues for answers to questions that you may not know the answer to.

### What do I need to do ON the Survey Day?

• Throughout the Survey Day, keep track of the questions that you need to answer (for example, the number of people served and what types of services were provided).

#### What do we do if our agency has more than 1 site or location?

- Please have all of the sites send the numbers to one contact person.
- Total the numbers, and submit only ONE form for the entire agency.
- For example, if there are only 23 DV agencies in the state and one of those agencies has 4 locations, there should only be 23 forms submitted online (not 26 if one agency submits 4 different forms for 4 different locations).

#### What do I need to do AFTER the Survey Day?

- By September 30, enter your results online at <a href="mailto:nnedv.org/census2015">nnedv.org/census2015</a>. You can enter your responses as early as September 17, 8 a.m. ET.
- If you do not have access to the Internet, you may fax your responses to 202-747-7626.
- If you have any questions about how to fill out the form or if you experience technical difficulties, please contact us at census@nnedv.org.

### NNEDV

### **Submission Instructions**

We strongly prefer that you submit your results online, as this allows us to more quickly analyze the results. Please only fax your submission if you have no access to the Internet. If you experience any technical difficulties, please contact NNEDV at census@nnedv.org.

You can best prepare yourself to enter your data online by following these 3 easy steps:

- Step 1 Throughout the Survey Day, keep track of the questions that you need to answer and tally the data (that you will eventually enter online) as soon as you have provided the services. By compiling the data in the moment or at certain points throughout the 24-hour period, it will allow you to quickly enter the results online.
- **Step 2** At the end of the Survey Day, please complete the rest of the survey. If your agency has several sites/locations, please combine your numbers and answers and only submit 1 form for the agency.
- Step 3 After the Survey Day, please go to <a href="mailto:nnedv.org/census2015">nnedv.org/census2015</a> and enter your results. The online form is identical to the questionnaire included in this packet. Simply enter your answers in the designated spots. If you have trouble viewing the webpage, please contact <a href="mailto:census@nnedv.org">census@nnedv.org</a>. Responses are due by September 30.

That's it! Many previous participants reported that entering the information online took as little as 15 minutes. If you are unable to access the Internet, you can fax the filled-out survey to us using the cover sheet on page 11.

#### **SURVEY INFORMATION AT A GLANCE**

Survey Period: Begins Wed, September 16, 2015 Ends Thurs, September 17, 2015

 8:00 a.m. Eastern
 7:59 a.m. Eastern

 7:00 a.m. Central
 6:59 a.m. Central

 6:00 a.m. Mountain
 5:59 a.m. Mountain

 5:00 a.m. Pacific
 4:59 a.m. Pacific

 4:00 a.m. Alaska
 3:59 a.m. Alaska

 2:00 a.m. Hawaii
 1:59 a.m. Hawaii

1:00 a.m. America Samoa 12:59 a.m. America Samoa

10:00 p.m. Guam/Northern Marianas 9:59 p.m. GU/MP

Please double check your time zone to ensure that your count starts at the right time for your state or territory.

Fill Out the Survey: Fill out the Survey online at <a href="mailto:nnedv.org/census2015">nnedv.org/census2015</a> (preferred method).

Or fax the attached Survey Form and cover sheet to 202-747-7626.

If you have questions, contact your state coalition (find your coalition at <a href="www.nnedv.org/resources/coalitions">www.nnedv.org/resources/coalitions</a>) or the National Network to End Domestic Violence at <a href="mailto:census@nnedv.org">census@nnedv.org</a> or 202-543-5566.

Responses are Due by Midnight ET on September 30, 2015

Once completed, please enter your data online by following the link at nnedv.org/census2015. If you do not have access to the Internet, you can fax the survey to us along with the fax cover sheet on page 11 of this packet.

The survey period is Wednesday, September 16, starting at 8:00 a.m. Eastern Time through Thursday, September 17, ending at 7:59 a.m. Eastern Time. See page 3 for your start and end times.

### Services Provided on the Census Day --- Totals for 1 day only (not monthly/yearly totals)

Please provide the number of people served in the following capacities during the 24-hour survey period. (Please do not include individuals served through batterer intervention programs.)

Please do not enter any words, letters, symbols, or number ranges in the boxes below. The boxes are only able to accept whole numbers (numbers without decimal points).

6. Number of people served in: EMERGENCY SHELTER	7. Number of people served in: TRANSITIONAL HOUSING or OTHER HOUSING	8. Number of people served in: NON-RESIDENTIAL SERVICES		
Women	Women	Women		
Men	Men	Men		
Transgender Men	Transgender Men	Transgender Men		
Transgender Women	Transgender Women	Transgender Women		
Children	Children	Children		
9. Please provide:	10. Please provide:	11. Please provide:		
The total number of <b>hotling</b> calls received in the 24-hour survey period.	The total number of <b>trainings</b> or public education sessions conducted by your program in the 24-hour survey period.	The total number of individuals who attended a training or public education session conducted by your program in the 24-hour survey period.		

12. Please tell us a survivor "success story" that is related to the help your organization provided on the Census Day. Please see the FAQ document for tips on sharing a compelling story. You can also share information about your agency's innovative/successful initiatives.

### Unmet Requests on the Census Day - Totals for 1 day only (not monthly/yearly totals)

Questions 13-15 ask for the number of requested services that you were *unable to meet* **on the Census Day** due to a lack of resources. This SHOULD include requests for services your program could not provide even if you did provide another service or make a referral to another agency.

This SHOULD NOT include requests that are outside the scope of the domestic violence related services that your program provides—in other words, do not include requests for services that you would not have provided regardless of the availability of resources.

Please do not enter any words, letters, symbols or number ranges in the boxes below. The boxes are only able to accept whole numbers (numbers without decimal points).

,		, ,

Therapy/Counseling for Children or Youth (by a licensed practitioner)					
Rural Outreach					
Prevention Services and/or Educational Programs					

24. If services were reduced or eliminated, what were the reasons? (Check all that apply)  Government funding cuts  Reductions in private funding Fewer or smaller individual donations Staffing cuts or reductions Not enough demand for services Other (please specify):  25. Is there anything else you would like to share with NNEDV, Congress, and those who read the Census?
Thank you for completing our survey!
Please go to nnedv.org/census2015 to submit this information.
Advice on sharing a compelling story or anecdote: We provide an optional opportunity for you to tell us a compelling story of survivors accessing your services or unmet requests in questions 12 and 17. These stories give the DV Counts Census depth and help portray the life-saving work that happens every day in DV programs. We have a few tips on writing these short anecdotes:
<ul> <li>Convey how the survivor <i>felt</i> (e.g., scared, frightened, overwhelmed, unsure, confused, supported, acknowledged, relieved, relaxed, safe, etc.) It is especially compelling if the survivor articulated these feelings to you and you can actually recall his/her words and provide them in a short quote.</li> <li>Tell us how your advocacy helped a survivor (see examples below).</li> <li>Tell us about the perceived impact of the unmet request (e.g., "We didn't have shelter space, so the survivor was unable to escape that evening.")</li> <li>Do not share details that could identify the survivor.</li> </ul>
Examples of compelling stories:
"A survivor we worked with told us how grateful she was for meeting people who were knowledgeable, loving, and caring. She said she felt truly safe for the first time in more than a decade."
"We assisted a survivor apply for a VAWA self-petition. Her husband abused her for years and told her that she would be deported if she went to the police. After working with us, she told us that she felt 'free as a butterfly."
"A woman in our shelter told us she had nowhere to go and told us that we 'saved her life.""
"While the children in shelter were doing their homework, I noticed one of the young boys crying. I asked him what was wrong and why he was crying. He said that nothing was wrong and he was just happy to be here and he loved all of us. He told me that no one had ever cared for him and his mom so much, and asked if they could keep staying because he's

scared they'd have to move again. I told him that we had an apartment for them and they would never have to go back."

Have you tried entering your data online? It is a very user-friendly online survey!

### **Cover Sheet for Fax Submissions**

Access the web form by going to <a href="mailto:nnedv.org/census2015">nnedv.org/census2015</a>. We prefer that you please enter your data online since this will allow us to compile the data quickly. Please do NOT fax your data in if you have already entered it online unless NNEDV or your state coalition contact person specifically asks you to, which will only happen very rarely. Submitting your data twice may cause duplicates that we will need to identify and remove. Please use this cover sheet ONLY if you do not have access to the Internet or are having difficulty with the online form and need to fax your information. To: **NNEDV Census Team** Subject: Census Fax Submission 202-747-7626 Send to Fax: From: \_\_\_\_\_\_ (Please List Contact Person Here) Phone Number and Extension: Sent from Fax Number: \_\_\_\_ You MUST complete the following information in order for us to enter your faxed-in data.

ZIP Code: (of Administrative Office)

Program Name: \_\_\_\_\_\_ (This will be kept confidential)

## NNEDV

### **Frequently Asked Questions**

Please ensure that the person completing the survey has access to these Frequently Asked Questions.

Review these Frequently Asked Questions (FAQs) before completing the Survey Form. If you have additional questions, please contact your state coalition or NNEDV at <a href="mailto:census@nnedv.org">census@nnedv.org</a>.

#### **General Questions**

### Q. Can I start my 24-hour survey period anytime as long as it's 24 hours long?

**A.** No. Because we want a count of the number of people served by all local programs in the same 24-hour period, we need your program to collect the information during the **24-hour survey period between 8 a.m. ET on Wednesday, September 16 and 7:59 a.m. ET on Thursday, September <b>17**. Refer to the Submission Instructions page to see when you should begin your 24-hour survey period.

#### Q. What can I do if I'm not sure what time zone I'm in?

**A.** If you are uncertain about what time zone your program is located in, go to <a href="http://www.time.gov">http://www.time.gov</a>. Click on your state or territory and look for your location. If you do not have Internet access or are unable to determine your time zone, please contact your state coalition.

### **Survey Questions**

# Q. Our domestic violence program has more than one location. If we are combining the number of people we serve from different locations, which ZIP code do we use when entering the data online?

**A.** Use the ZIP code of your administrative office. If there is no specific "administrative office," use the ZIP code of the office where your Executive Director is located.

## Q. When I go to submit my data online, my program's name is not listed online as an option to choose. Can I still participate?

**A.** Yes, if the primary purpose of your organization is to provide services to victims of domestic violence, you can participate. Check to make sure you have selected the correct state. If your program name has changed, check to see if we listed your program in your old name. If your program is not listed, choose "Other" and give us your program name.

# Q. My program is a dual domestic violence and sexual violence program or a dual domestic violence and homeless program. Should I respond to this Survey?

**A.** Yes. However, please count only the number of domestic violence survivors and their families to whom you provided services on the Survey Day. You should also be sure to identify your program type in question 5 of the Survey.

## Q. My program is housed in a larger community program (e.g., a YWCA). Do I count the services that only my program provided or should I include the larger community program?

**A.** Please count the number of domestic violence survivors and their families to whom your program provided services on the Survey Day. You should also be sure to identify your program type in question 5.

### NNEDV

### **Frequently Asked Questions**

Please ensure that the person completing the survey has access to these Frequently Asked Questions.

### Q. My program does not have a shelter. Should I respond to this Survey?

**A.** Yes. You can fill out the non-residential or housing sections of the Survey. Please count the number of domestic violence survivors and their families that you served on the Survey Day in any capacity.

### Q. My program only served a few people today. Do I really need to fill this out?

**A.** Yes! We need to count every survivor served on this day. While it might seem like your numbers are small, your participation has a huge impact! It's really powerful (and more compelling to policy makers and others) for NNEDV to be able to say that 100% of the programs in each state/territory participated. Please fill out this Survey so we can include your program's services in our count of domestic violence services.

### Q. We didn't serve anyone today. What should I do?

**A.** We understand that circumstances beyond your control may result in your program having unusually low numbers or no data to report on the Survey Day. Even if you did not provide any services on the Survey Day, your answers to the general questions are still helpful and by responding, you will help your state/territory be one step closer to achieving a 100% participation rate.

#### Q. Should we count individuals served in our batterer intervention services?

**A.** No. Please do not include any individuals exclusively served in a batterer intervention program in your Survey Day numbers.

### Q. We did a training today for our volunteers. Does that count as a public education session in question 10?

A. Yes. Please count the number of volunteers who attended this training and include this as a training session.

#### Q. We were interviewed on the radio during the Census Day. Does that count as a training/education session?

**A.** No. While working with the media is important, interviews should not be counted as training sessions.

## Q. We provided training at a conference today. Do we count the number of attendees who attended the entire conference or just the number of attendees who attending our training?

**A.** Only count the number of attendees who attended your training; not the total number of attendees who attended the conference.

# Q. We have a waiting list for shelter, legal representation, etc. Should we consider all of the people on our waiting list when we count the "unmet requests" for services or should we only count those individuals who we added to the list during the 24-hour period?

**A.** You should count ALL of the people on your waiting list as having unmet requests for services since they would not be on the waiting list if you had enough funding/services/housing to meet their needs.

### Q. Who do we count as having an "unmet request" for service?

**A.** You SHOULD include individuals who requested a service you could not provide even if you did provide another service. For example: A survivor requested individual counseling. You don't currently have any appointment times open, but you were able to suggest that the survivor attend a support group. Since the initial request was for individual counseling, the initial request from the survivor was not met.

### NNEDV

### **Frequently Asked Questions**

You SHOULD NOT include individuals who had needs that were outside the scope of the domestic violence related services that your program provides. For example, if someone is asking for help applying for food stamps but the individual has no domestic violence history and is not in need of any services related to domestic violence, this would not be counted as an "unmet request" for services since the request is outside of the scope of your program's domestic violence related services.

### Q. Do I need to provide any information that identifies survivors individually?

**A.** No. We only need aggregate counts of the number of people who used your domestic violence program services on the Survey Day. Please do not provide any details or real names in any section that might compromise the confidentiality of any client in your program.

### **Submitting Your Survey**

### Q. I've filled out the forms in this packet. Now what do I do?

**A.** Go to <u>nnedv.org/census2015</u> and enter your responses. The online Survey Form is identical to the questionnaire included in this packet. Simply enter your answers in the designated spots. If you have trouble viewing the webpage, please contact <u>census@nnedv.org</u>.

### Q. The webpage isn't working or I don't have Internet access. How do I submit my numbers?

**A.** If the link at <a href="nnedv.org/census2015">nnedv.org/census2015</a> is not working, you can go directly to the Survey by entering <a href="https://www.surveymonkey.com/s/census2015survey">https://www.surveymonkey.com/s/census2015survey</a> into your web browser (e.g., Internet Explorer, Chrome, etc.) If you are still unable to enter your data, please fax your survey to 202-747-7626. Please use the fax cover sheet provided on page 11 of this Survey Packet.

### Q. Can I get a copy of the Survey Form I submitted for our program's records?

**A.** Unfortunately, we cannot provide copies of your submitted Survey. It is best for you to fill out the paper version of the Survey and keep a copy of that.

### Q. Should I fax a copy also, even if I fill out the Survey Form online?

**A.** No. We prefer that you just fill out the Survey Form online. If you do not have Internet access, please fax the Survey Form with the enclosed fax cover sheet from this packet.

#### Q. How do I know you've received our data?

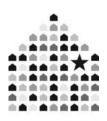

**A.** If we haven't received your data, someone will contact you, reminding you to submit your data. If you don't hear from us, you can assume that your submission went through successfully.

#### Q. Who sees the data that I submit?

**A.** Only the Census team at NNEDV will see the data that you submit. No one else will ever see your program's specific data. If you hear from a coalition staff person reminding you to submit data, it is because NNEDV has asked the coalition staff person to contact you. That person will not see your actual data.

#### Q. When will the final Census report be released?

**A.** It typically takes us 4 to 5 months to analyze the data and write the report. NNEDV will publish the report on NNEDV's website (<a href="https://www.nnedv.org/resources/census">www.nnedv.org/resources/census</a>) and provide a link via the Census listsery in early 2016.

### NNEDV

### **Definitions of Terms**

Please review the following definitions to understand the terms used in this Survey. If you have additional questions regarding definitions, please consult the Frequently Asked Questions (FAQs) section above.

If you still have additional questions, please contact:

- Your State/Territory Coalition or
- National Network to End Domestic Violence at <u>census@nnedv.org</u> or 202-543-5566.

### 24-Hour Survey Period

The one-day count begins at 8 a.m. ET on Wednesday, September 16 and ends 24 hours later at 7:59 a.m. ET on Thursday, September 17. If you are in a different time zone, you will begin at a different time; please see the "Submission Instructions" page in this Survey Packet to determine what time you should start the Survey period in your time zone.

### **Emergency Shelter**

Emergency shelters are intended to provide a short-term living space for individuals in response to an immediate crisis. When we ask for the number of adults and children who accessed emergency shelter services from your program, we include stays in safe homes as well as hotels if paid for by your program.

#### Hotline Calls (also called "Crisis Calls")

Hotline calls refer to calls made to a hotline number for any purpose, including, but not limited to, crisis intervention, requests for support by survivors, requests for support by friends or family of survivors, or requests for information. Additionally, please count crisis calls that come into your main office even if the call didn't come through your hotline.

#### **Primary Purpose Domestic Violence Program**

For the Census, we are only counting domestic violence advocacy programs, with a primary purpose and mission of providing services to victims of domestic violence. The purpose of the Census is to gather an unduplicated count of people accessing nonprofit domestic violence advocacy services. The program can be a part of larger nonprofit agency but you must only count the DV survivors served on Census Day. The Census is not intended to count the number of victims who may visit an emergency room, police department, or criminal justice agency on that day, since it may be possible that a survivor visits an emergency room and then a domestic violence program on the same day.

### **Training/Community Education**

Training or community education refers to outreach efforts to specific groups or to the community at large that increase public awareness about domestic violence, improve responses to survivors, enhance services, or mobilize action. Some examples may include police training, community forums, presentations to students, or volunteer training.

### **Transgender Individual**

Someone is transgender if the person's own experience of the person's sex or gender identity is different from the sex assigned at birth. Some transgender individuals may choose to identify as male or female, while others prefer to identify as transgender. A transgender man is someone who identifies as a man but was assigned female at birth. A transgender woman is someone who identifies as a woman but was assigned male at birth.

### NNEDV

### **Definitions of Terms**

### **Transitional Housing or Other Housing**

"Transitional housing" is temporary housing designed to house residents while helping them transition into permanent living arrangements. Many transitional housing options last up to 24 months. "Other housing" includes rental assistance, rapid re-housing, homelessness prevention programs, permanent supportive housing, or other housing that is provided by domestic violence organizations.

**NOTE:** Other Housing is a new category to help the Census track additional types of housing provided by domestic violence programs. Please ensure that the persons you are tracking as receiving "other housing" are not tracked as receiving "non-residential" services. This will ensure that the count of survivors served is unduplicated. Additionally, programs should only count survivors in this category who are receiving housing provided by a domestic violence program, not another housing program. If your program provides non-residential advocacy services to a survivor who is accessing another organization's housing support, please count that survivor in the "non-residential" category. Please only report an "unmet request" for housing when a survivor requests a type of housing that your organization provides but could not provide on the Census Day.

### **Unmet Requests for Service**

This term refers to individuals whose primary needs could not be met by your program because of resource constraints (e.g., no space, time, staff, or money). In other words, this SHOULD include individuals who were turned away or who you referred to another agency due to your own program's resource constraints.

When counting individuals whom you were unable to serve, you should NOT count individuals who make requests outside the scope of your program's domestic violence-related services. For example, if someone is asking for help applying for food stamps but the individual has no domestic violence history or requires no assistance related to domestic violence, the person should not be counted as having an "unmet request" for service since the request is outside the scope of your program's domestic violence-related services.

You should count ALL the people on your waiting list as having unmet requests for services since they would not be on the waiting list if you had enough funding/services/housing to meet their needs.

Please include individuals who requested a service you could not provide even if you did provide another service. (For example: A survivor requested an attorney to help with divorce and custody. Your attorney is completely booked so you provide safety planning and a referral to legal services. Since the initial request was for an attorney, the initial request from the survivor was not met).
