PLEASE NOTE: This chart will continue to be updated throughout the FY 2018 Appropriations process. Updates can be found at www.nnedv.org/funding.

* Rescissions: Final bills often include rescissions. The final bills included the following rescissions from OVW from unobligated or deobligated funds: FY 13 and FY 14 \$12 million; FY 15 \$16 million; FY17 \$10 million; and President's FY 18 Proposed Budget \$15 million.

‡ Improving Criminal Justice Response to Sexual Assault, Domestic Violence, Dating Violence, and Stalking Grant Program (ICJR) was formerly named the Grants to Encourage Arrest Program (GTEAP). In FYs12-17, \$4 million has been set aside in ICJR for a homicide reduction initiative.

‡ VAWA 2013 consolidated youth and prevention programs into two programs, which have been further consolidated via appropriations for the past several years. The individual programs are called "CHOOSE" and "SMART."

‡ The Rape Survivors Child Custody Act boosts VAWA funding for states that allow for women to petition for the termination of parental rights based on clear & convincing evidence that a child was conceived through rape.

^ VOCA transfers to VAWA. In FY 16, Congress transferred \$379 million from VOCA to VAWA; in FY 17, Congress transferred \$326 million from VOCA to VAWA. The FY 18 President's budget proposal recommends transferring \$445 million from VOCA to VAWA. The victim advocacy field objects to these transfers.

¶ VOCA: We request that annual release of VOCA funds are based on the three year average of deposits into the Crime Victims Fund. Tribal funding: We support establishing a VOCA Tribal funding stream at 10% of VOCA funds. The FY 17 CJS bills that passed the House and Senate included a 5% set-aside for Tribes. However, the final FY 17 bill did not include the Tribal set-aside. Transfers and Rescissions: We object to proposals and bills that transfer funds from Crime Victims Fund to other accounts (e.g. FY 17 final omnibus and FY 18 President's Proposal). Additionally we strongly object to the President's Proposal that permanently rescinds \$1.31 billion from the VOCA fund, as this violates the statute and threatens to destabilize the Crime Victims Fund. The FY 18 budget proposal also recommends significant increases in management and administration, in addition to research funds.

**Funding would maintain and increase capacity of the National Domestic Violence Hotline, fund a tribal domestic violence hotline and other hotline-related projects.

°FVPSA, the National Domestic Violence Hotline, and DELTA are authorized through the Family Violence Prevention and Services Act (FVPSA). The additional \$1 million is to establish a new Alaska Native Tribal Resource Center on Domestic Violence, which would build capacity in tribes across the State to develop effective, local responses to domestic violence.

Δ PHHSBG is authorized through the Public Health Services Act and includes a mandatory set-aside for providing services to rape victims and for rape prevention.
