

**Thank you for taking the time to fill out this anonymous survey. We will use this information to continually improve upon our educational sessions. Please indicate your response by marking an X on the dot that best corresponds to your answer:**

1. As a result of this session, I am better able to identify critical and compelling reasons to address the impacts of gender-based violence in the workplace.

2. As a result of this session, I am better able to evaluate workplace culture, policies, and practices to identify opportunities to adopt a trauma-informed survivor-centered lens.

3. As a result of this session, I am better able to apply the 4'Rs [Recognize – Respond – Refer – Re-engage] model.
