

# CONNECT WITH YOUR LEGISLATORS' TOP PRIORITIES

No matter what issues are at the forefront of your legislators' agenda, the issues you care about intersect and connect to them. The chart below can help you engage your legislator as you begin telling the story of your community's needs and services.

Identify which topic you think will best resonate with your legislator, and then begin by framing issues of domestic and sexual violence through that topic. Gradually move into discussing your local program or community, and how it fits within these topics.

## How to learn more about your legislators:

- Visit [www.moga.mo.gov](http://www.moga.mo.gov).
- In the menu of tabs across the top, choose "Missouri Senate" or "Missouri House"
- On the "Missouri Senate" page, click the "Senators" tab, then "List of Senators." You can then click on whomever you wish to learn more about. You can find biographical information, as well as a list of committees on which the senator serves.
- On the "Missouri House" page, on the left side is the "House Members" tab, and from there, a "Directory of Representatives." You can then click on whomever you wish to learn more about. You can find biographical information, as well as a list of committees on which the representative serves.
