WISCONSIN COALITION
AGAINST DOMESTIC VIOLENCE

We invite you to join us this year as a Sponsor for the 8th Annual Together We Can End Domestic Violence luncheon. In addition to having the opportunity to hear from our amazing featured speaker, you will have the satisfaction of knowing you played a significant role in helping end domestic abuse in homes and communities throughout Wisconsin.

This year, we are honored to present Kim A. Gandy, President and CEO of the National Network to End Domestic Violence, and former President of the National Organization for Women, as our featured keynote. For decades Kim Gandy has been an advocate for women's advancement, particularly in the areas of legislative reform, violence against women, abortion and reproductive rights, family law and social security. From Kim's years as a young activist in her native Louisiana, to her work prosecuting violent offenders, to her energetic participation with then senator Joe Biden in the passage of the Violence Against Women Act (VAWA) in 1994, and its reauthorization in 2000 and 2005, Kim has remained profoundly committed to ensuring that women have the opportunity to lead healthy lives in safety and prosperity.

It is Kim's coalition-building experience and collaborative spirit, along with her long-term commitment to making a difference in the lives of girls and women that makes her such a perfect keynote for our Together We Can End Domestic Violence Luncheon.

Being a Sponsor is one of the most impactful ways you can influence the success of our fundraising efforts and help End Domestic Abuse Wisconsin provide services to programs and victims of domestic abuse throughout Wisconsin.

Please help. Your presence means a great deal to those we serve. *Together* we are all stronger in our work to end domestic violence.
