

## ENDING SEXUAL AND DOMESTIC VIOLENCE IN KANSAS

It's a bold goal. And it will take all of us working together to get there.

Help us provide for the unmet needs with your tax deductible donation. For every victim that receives services, countless others are in need of services. In one 24-hour time period, Kansas programs reported that 191 victims were unable to receive services, 79 of them were seeking shelter. In Kansas, many sexual assault victims have to travel hours for a forensic exam.
