

SADI Resources and Publications

This is a brief summary of resources and publications that have been developed and distributed by the Sexual Assault Demonstration Initiative.

[Sexual Assault Demonstration Initiative: Final Report](http://www.nsvrc.org/publications/nsvrc-publications/sexual-assault-demonstration-initiative-final-report)

<http://www.nsvrc.org/publications/nsvrc-publications/sexual-assault-demonstration-initiative-final-report>

The Sexual Assault Demonstration Initiative (SADI) is the first large-scale project to address the challenges dual/multi-service programs face in reaching sexual assault survivors. This report provides an overview of the project and concrete lessons learned and recommendations for funders, technical assistance providers, and dual/multi-service programs.

[Building Comprehensive Sexual Assault Services Programs](http://www.nsvrc.org/sites/default/files/nsvrc_publications_article_sadi_building-comprehensive-sexual-assault-programs.pdf)

http://www.nsvrc.org/sites/default/files/nsvrc_publications_article_sadi_building-comprehensive-sexual-assault-programs.pdf

This article provides general information about comprehensive sexual assault services as a tool to begin a discussion or assessment or organizational efforts to address sexual violence.

[Building Cultures of Care: A Guide for Sexual Assault Services Programs](http://www.nsvrc.org/sites/default/files/publications_nsvrc_guides_building-cultures-of-care.pdf)

http://www.nsvrc.org/sites/default/files/publications_nsvrc_guides_building-cultures-of-care.pdf

This guide provides information on the core principles of trauma-informed care, with guiding points and questions to help organizations build cultures grounded in trauma-informed service delivery.

[SADI eNewsletter #1, August 2013](http://www.nsvrc.org/sites/default/files/nsvrc_publications_sadi-newsletter-summer-2013.pdf)

http://www.nsvrc.org/sites/default/files/nsvrc_publications_sadi-newsletter-summer-2013.pdf

This edition provides an overview of the goals of the SADI, introduces the Project Sites, highlights the stages of the project, and provides a sneak peak at the next phase of the project.

[SADI eNewsletter #2, January 2014](http://www.nsvrc.org/sites/default/files/nsvrc_publications_sadi-newsletter-winter-2014_0.pdf)

http://www.nsvrc.org/sites/default/files/nsvrc_publications_sadi-newsletter-winter-2014_0.pdf

This edition provides access to community assessment tools created through the initiative and lessons learned from demonstration sites as they conducted community assessments.

SADI eNewsletter #3, January 2015

http://resourcesharingproject.org/sites/resourcesharingproject.org/files/nsvrc_publications_sadi-newsletter-winter-2015_0.pdf.

This edition focuses on key lessons learned about developing responsive sexual assault services. You will find information on tools and approaches to help multi-service programs build trauma informed organizations.

Listening to Our Communities: Assessment Toolkit

<http://www.nsvrc.org/publications/nsvrc-publications-toolkits/listening-our-communities-assessment-toolkit>

This toolkit focuses on key tools and skills for conducting community assessments in order to strengthen services for sexual assault survivors. It is written specifically for multi-service programs, but will be useful for most victim service programs.

Multi-Service Programs and the Essentials of Sexual Assault Services

http://www.nsvrc.org/sites/default/files/nsvrc_publications_bibliography-multi-service-programs-and-the-essentials-of-sexual-assault-services.pdf

This annotated bibliography is for advocates, policy makers and allies to help inform their work of meeting the needs of sexual assault survivors. This document provides the best available research to explore sexual assault program services and the challenges with meeting sexual assault survivors' needs in multi-service programs.

Self-Care and Trauma Work

http://www.nsvrc.org/sites/default/files/Publication_NSVRC_Overview_Self-Care.pdf

This document provides a brief overview of vicarious trauma and how to take care of yourself when working to address sexual violence.

Trauma-informed Advocacy and Services: Recommended Reading

http://www.nsvrc.org/sites/default/files/Publications_Recommended-Reading-Trauma-Informed-Advocacy-Services_0.pdf

This recommended reading list was developed for the National Sexual Assault Demonstration Initiative to assist organizations in strengthening trauma-informed advocacy and services.

Online Resources for Survivors

http://www.nsvrc.org/sites/default/files/nsvrc_publications_resource-list_online-resources-for-survivors.pdf

The following resources are intended to provide online support through the use of forums, chat rooms, self-help and general resources to survivors of sexual violence.

This is a brief summary of resources and publications that will be developed and distributed by the Sexual Assault Demonstration Initiative in the coming months.

Active Listening as Advocacy

This eLearning tool teaches the skills needed for effective active listening as an essential component for trauma informed services with survivors of sexual violence.

Advocacy with Survivors of Sexual Violence: Expanding the Definition

This paper will explore what effective advocacy for survivors of sexual violence looks like and expands the definition of what has been traditionally defined as advocacy.

Establishing a Supportive Environment

This eLearning tool explores strategies that programs and advocates can implement to establish a safe and welcoming environment for survivors of sexual violence. This eLearning tool is a companion to the resource *Building Cultures of Care: A Guide for Sexual Assault Services Programs*.

Foundational Sexual Assault Advocacy Training

This training manual is designed to take trainers through a sexual assault advocacy training, from start to finish.

Infographic: Distinctions and Similarities between Survivors of Sexual Violence and Domestic Violence

This resource will highlight the distinctions and similarities in populations of people who experience sexual and domestic violence.

Intimate Partner Sexual Violence: Serving at the Intersections

This resource includes considerations to address services and funding for local sexual assault and domestic violence programs regarding intimate partner sexual violence.

Recommendations for Funders

This resource highlights the implications and provides recommendations for funding projects aimed at enhancing sexual assault services.

Safety Planning with Survivors of Sexual Violence

This paper will explore the unique safety needs of survivors of sexual violence and the strategies for providing effective safety planning for survivors of sexual violence.

Stable and Empowering Leadership Skills

This eLearning resource and companion paper will explore facilitation of stable and empowering leadership, including direct and ethical communication, transparency, addressing conflict, creating both/and thinking, and employing a problem-solving stance.

Supporting and Sustaining Staff

These eLearning resources will explore the crisis of staff turnover and the concept that dual/multi-service organizations cannot create trauma-informed spaces and give compassionate care to survivors without doing the same for their staff.

Tracking and Reporting on Services: Problem Statement & Recommendations

This resource provides a problem statement and recommendations to address the implications of statistical categories, coding, and database bias that contribute to inequitable data collection in dual/multi-service agencies.
