

# DOMESTIC VIOLENCE COUNTS REPORT

## GUAM SUMMARY

On September 9, 2021, **1** out of **4 (25%)** identified domestic violence programs in Guam participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). In 2021, frontline advocates continued to navigate unforeseen challenges due to the COVID-19 pandemic and other crises. The following figures represent the information shared by the participating programs about the services they provided during the 24-hour survey period.

### 39 Victims Served in One Day

**39** adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local domestic violence programs.

### 5 Hotline Contacts Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, and email. Hotline staff received **5** contacts.

### 0 Unmet Requests for Services

While program staff were able to meet all of victims' needs during the survey period and did not report any unmet requests, there is still a tremendous need for increased funding to ensure programs can provide comprehensive services to all survivors seeking help while working toward preventing violence in their communities.

Table 1: Services Provided on 9/9/21	% of Programs Providing Services
Childcare/Daycare	100%
Emergency Shelter	100%
Hotel/Motel Stay	100%
Support/Advocacy Related to Housing/Landlord	100%
Support/Advocacy Related to Public Benefits/TANF/Welfare	100%
Transitional or Other Housing (run by DV program)	100%
Transportation	100%

✦ **“We provided a survivor with transportation to obtain documents—the last step she needed to apply for housing. Hopefully she can move into her home in the next few weeks and begin a new start with her children.”**
