Campaign for Funding to End Domestic and Sexual Violence

---

PLEASE NOTE: This chart will continue to be updated throughout the Appropriations process. Updates at [www.nnedv.org/funding](http://www.nnedv.org/funding).

In the STOP program, we call on Congress to prioritize newly allocated funding to invest in victim services, especially culturally specific programs. Additionally, we call on Congress to prioritize funding for tribes and state, territorial, and tribal coalitions.

¥ ICJR was formerly named the Grants to Encourage Arrest Program (GTEAP). Since FY 12, Congress has included an additional set aside to address homicide reduction. The FY 22 Budget includes set asides to address homicide reduction and lethality assessments.

‡ VAWA 2013 consolidated youth and prevention programs into two programs (CHOOSE and SMART), which have been further consolidated via appropriations for the past several years. The FY 22 Budget includes a \$3 million set aside for engaging men and youth in prevention.

The FY 22 Budget includes a set aside for Historically Black Universities and Colleges (HBCUs), Hispanic Serving Institutions, and Tribal colleges, which the victim advocacy community supports.

⌘ The Rape Survivors Child Custody Act boosts VAWA funding for states that allow for individuals to petition for the termination of parental rights based on clear & convincing evidence that a child was conceived through rape.

^ VOCA transfers to VAWA. In FY 16-FY 22 Congress transferred money from VOCA to VAWA (FY 16 - \$379 million, FY 17 - \$326 million, FY 18 - \$492 million, FY 19 - \$497.50, FY20 - \$435 million, FY21 - \$435 million, FY22 - \$575 million). The victim advocacy field objects to these transfers.

¶ VOCA: We request that annual release of VOCA funds are reflective of the deposits into the Crime Victims Fund. Tribal funding: We support establishing a VOCA Tribal funding stream at 10% of VOCA funds. Transfers and rescissions: We object to proposals and bills that transfer funds from Crime Victims Fund to other accounts.

° FVPSA, The National Domestic Violence Hotline, and DELTA are authorized through the Family Violence Prevention and Services Act (FVPSA). We support funding for an Alaska Tribal Resource Center and a Native Hawaiian Resource Center on Domestic Violence to build capacity of tribes and indigenous communities in those states to develop effective, local responses to Domestic Violence. FY 18, FY 19, FY 20, FY21 and FY22 provide \$5-\$7 million in additional funding for tribes.

An additional \$45 million in FVPSA and \$2 million for the National Domestic Violence Hotline in supplemental funding were provided in the 2020 Coronavirus Aid, Relief, and Economic Security (CARES) Act and \$200 million in the American Rescue Plan (ARP). Sexual assault services and culturally specific services were funded for the first time in ARP at \$198 million and \$49.5 million.

\*\* Funding maintains and increases capacity of the National Domestic Violence Hotline, funds a tribal domestic violence hotline and other hotline-related projects.

# Survivors from communities of color urgently need culturally specific services that address the nexus of domestic violence and sexual assault with other health outcomes. This new program would be administered by the FVPSA Office. FVPSA includes a \$5 million set aside in the FY22 budget. We continued to advocate for a stand alone culturally specific program.

Δ PHHSBG is authorized through the Public Health Services Act and includes a mandatory set-aside for providing services to rape victims and for rape prevention.

~ Set aside funding for domestic violence rapid rehousing and services projects, out of the Continuum of Care Program, administered by the SNAPS Office at HUD.
