

# DOMESTIC VIOLENCE COUNTS REPORT

## ARIZONA SUMMARY

On September 7, 2022, **29** out of **34 (85%)** identified domestic violence programs in Arizona participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). The following figures represent the information shared by the participating programs about the services they provided during the 24-hour survey period.

### 1,485 Victims Served

**826** adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local domestic violence programs.

**659** adult and child victims received non-residential supportive services related to legal needs, housing advocacy, transportation, mental health, public benefits, and more.

### 313 Hotline Contacts Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, and email. Hotline staff received **313** contacts, averaging more than **13** contacts per hour.

### 38 People Educated

On the survey day, local domestic violence programs provided **2** public training sessions (educational sessions provided to the public) to **38** people, addressing topics like domestic violence prevention and early intervention.

### 285 Unmet Requests for Services

Victims made **285** requests for services that programs could not provide because they did not have the resources. Approximately **82%** of these unmet requests were for emergency shelter, hotels, motels, and other housing.

Table 1: Services Provided on 9/7/22	% of Programs Providing Services
Emergency Shelter	69%
Children’s Support or Advocacy	62%
Support/Advocacy Related to Mental Health	55%
Support/Advocacy Related to Housing/Landlord	52%
Transportation	48%
Bilingual Advocacy	45%
Transitional or Other Housing (run by DV program)	45%
Support/Advocacy Related to Public Benefits/TANF/Welfare	41%
Court Accompaniment or Legal Advocacy	34%

✘ **“A mother called seeking therapy for her young child, but a therapist might not be available for months. The anguish in the voice of a mother who has called ten places seeking help for her daughter and gotten the same ‘no’ is palpable. We simply do not have the funding to hire enough therapists.”**
