

DOMESTIC VIOLENCE COUNTS REPORT

HAWAII SUMMARY

On September 7, 2022, **14** out of **16 (88%)** identified domestic violence programs in Hawaii participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). The following figures represent the information shared by the participating programs about the services they provided during the 24-hour survey period.

847 Victims Served

316 adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local domestic violence programs.

531 adult and child victims received non-residential supportive services related to legal needs, housing advocacy, transportation, mental health, public benefits, and more.

118 Hotline Contacts Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, and email. Hotline staff received **118** contacts, averaging nearly **5** contacts per hour.

5 People Educated

On the survey day, local domestic violence programs provided **3** public training sessions (educational sessions provided to the public) to **5** people, addressing topics like domestic violence prevention and early intervention.

51 Unmet Requests for Services

Victims made **51** requests for services that programs could not provide because they did not have the resources. Approximately **53%** of these unmet requests were for emergency shelter, hotels, motels, and other housing.

Table 1: Services Provided on 9/7/22	% of Programs Providing Services
Children's Support or Advocacy	57%
Support/Advocacy Related to Housing/Landlord	50%
Support/Advocacy Related to Child Welfare/Protective Services	43%
Support/Advocacy to Older/Elder Victims of Abuse	29%
Support/Advocacy Related to Disability Issues	21%
Bilingual Advocacy	14%
Financial Literacy/Budgeting	7%
Matched Savings Programs and/or Microloans	0%

✘ **“An elderly shelter resident with disabilities had been on a waiting list for months, and our advocates helped her overcome many financial, housing, and other obstacles. She expressed how helpless, overwhelmed, and unsure she felt. Finally, after more than a year, she was placed in an affordable housing unit.”**
