

DOMESTIC VIOLENCE COUNTS REPORT IDAHO SUMMARY

On September 7, 2022, **20** out of **24 (83%)** identified domestic violence programs in Idaho participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). The following figures represent the information shared by the participating programs about the services they provided during the 24-hour survey period.

615 Victims Served

325 adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local domestic violence programs.

290 adult and child victims received non-residential supportive services related to legal needs, housing advocacy, transportation, mental health, public benefits, and more.

220 Hotline Contacts Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, and email. Hotline staff received **220** contacts, averaging more than **9** contacts per hour.

42 People Educated

On the survey day, local domestic violence programs provided **4** public training sessions (educational sessions provided to the public) to **42** people, addressing topics like domestic violence prevention and early intervention.

232 Unmet Requests for Services

Victims made **232** requests for services that programs could not provide because they did not have the resources. Approximately **36%** of these unmet requests were for emergency shelter, hotels, motels, and other housing.

Table 1: Services Provided on 9/7/22	% of Programs Providing Services
Emergency Shelter	60%
Children’s Support or Advocacy	50%
Court Accompaniment or Legal Advocacy	50%
Transitional or Other Housing (run by DV program)	50%
Bilingual Advocacy	45%
Support/Advocacy Related to Housing/Landlord	30%
Support/Advocacy to Teen/Young Adult Victims of Dating Abuse	30%
Support/Advocacy Related to Immigration	10%

✘ **“We provided nearly 14,000 services last year, and we are expected to reach nearly 18,000 services this year while being short-staffed. We need more funding to hire and help relieve the stress on current employees. I fear we will begin losing employees to burnout if something isn’t done soon.”**
