

DOMESTIC VIOLENCE COUNTS REPORT INDIANA SUMMARY

On September 7, 2022, **38** out of **39** (**97%**) identified domestic violence programs in Indiana participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). The following figures represent the information shared by the participating programs about the services they provided during the 24-hour survey period.

1,789 Victims Served

1,231 adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local domestic violence programs.

558 adult and child victims received non-residential supportive services related to legal needs, housing advocacy, transportation, mental health, public benefits, and more.

509 Hotline Contacts Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, and email. Hotline staff received **509** contacts, averaging more than **21** contacts per hour.

982 People Educated

On the survey day, local domestic violence programs provided **36** public training sessions (educational sessions provided to the public) to **982** people, addressing topics like domestic violence prevention and early intervention.

116 Unmet Requests for Services

Victims made **116** requests for services that programs could not provide because they did not have the resources. Approximately **85%** of these unmet requests were for emergency shelter, hotels, motels, and other housing.

| Table 1: Services Provided on 9/7/22 | % of Programs Providing Services |
|--|----------------------------------|
| Support/Advocacy Related to Housing/Landlord | 68% |
| Support/Advocacy Related to Mental Health | 68% |
| Transitional or Other Housing (run by DV program) | 50% |
| Transportation | 50% |
| Support/Advocacy Related to Public Benefits/TANF/Welfare | 45% |
| Court Accompaniment or Legal Advocacy | 42% |
| Hotel/Motel Stay | 13% |

✂ “Between January and July 2022, our agency received a 45% increase in crisis callers, a 139% increase in residential clients, and a 142% increase in bed nights. We have also had higher-than-average staff turnover. Add in cuts to federal funding and it’s causing significant strain on staff and our agency.”
