

DOMESTIC VIOLENCE COUNTS REPORT

NORTHERN MARIANA ISLANDS SUMMARY

On September 7, 2022, **1** out of **1 (100%)** identified domestic violence programs in the Northern Mariana Islands participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). The following figures represent the information shared by the participating programs about the services they provided during the 24-hour survey period.

48 Victims Served

48 adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local domestic violence programs.

1 Hotline Contact Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, and email. Hotline staff received **1** contact.

0 Unmet Requests for Services

While program staff were able to meet all of victims' needs during the survey period and did not report any unmet requests, there is still a tremendous need for increased funding to ensure programs can provide comprehensive services to all survivors seeking help while working toward preventing violence in their communities.

Table 1: Services Provided on 9/7/22	% of Programs Providing Services

✘ **“We helped a survivor in our shelter obtain a temporary restraining order, a new phone, and an apartment, so she can move toward independence. We will continue to provide her with support, encouragement, and services so that by the time she is ready to move into her new home, she will be fully equipped and empowered to live a peaceful life, free from violence.”**
