

DOMESTIC VIOLENCE COUNTS REPORT

VERMONT SUMMARY

On September 7, 2022, **10** out of **13 (77%)** identified domestic violence programs in Vermont participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). The following figures represent the information shared by the participating programs about the services they provided during the 24-hour survey period.

191 Victims Served

143 adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local domestic violence programs.

48 adult and child victims received non-residential supportive services related to legal needs, housing advocacy, transportation, mental health, public benefits, and more.

55 Hotline Contacts Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, and email. Hotline staff received **55** contacts, averaging more than **2** contacts per hour.

2 People Educated

On the survey day, local domestic violence programs provided **1** public training session (an educational session provided to the public) to **2** people, addressing topics like domestic violence prevention and early intervention.

6 Unmet Requests for Services

Victims made **6** requests for services that programs could not provide because they did not have the resources. Approximately **17%** of these unmet requests were for emergency shelter, hotels, motels, and other housing.
