Limited Term Position Available: Staff Attorney

The National Network to End Domestic Violence (NNEDV) is a social change organization dedicated to creating a social, political, and economic environment in which domestic violence no longer exists. NNEDV advocates for law, policies, and funding to address domestic violence, and provides training, technical assistance, education, and support to state and territory domestic violence coalitions, as well as local domestic violence, sexual violence, and stalking programs, transitional housing programs, and the general public.

NNEDV is deeply committed to creating and sustaining an organizational culture that values diversity, inclusion and equity and envisions an organization that reflects the rich cultural diversity of the community. In pursuit of this vision, we are committed to educating, developing, and supporting an organization that embodies diversity in its many forms. NNEDV currently has 45 employees.

NNEDV seeks a Staff Attorney to join our WomensLaw team. The Staff Attorney is supervised by the WomensLaw Senior Legal Director. The Staff Attorney is primarily responsible for: 1) creating, editing, and updating legal and non-legal content on the WomensLaw.org website; and 2) providing legal information on the WomensLaw Email Hotline. The position is a limited term position currently funded through September 30, 2025 with the possibility of an extension if renewal funding is secured. Additional Email Hotline-related tasks include researching laws and other topics as needed and creating/organizing sample language used for Email Hotline responses. The Staff Attorney may also correspond with Email Hotline users on our online chat system to answer follow-up questions from survivors of abuse.

The Staff Attorney will spend the remaining 60% - 40% of their time on tasks related to the WomensLaw.org website, including interpreting statutes into plain language to create, update, or edit
