

# DOMESTIC VIOLENCE COUNTS REPORT IDAHO SUMMARY

On September 6, 2023, **21** out of **22 (95%)** identified domestic violence programs in Idaho participated in a national count of domestic violence services conducted by the National Network to End Domestic Violence (NNEDV). The following figures were shared by participating programs about the services they provided during the 24-hour survey period.

### 650 Victims Served

**393** adult and child victims of domestic violence found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local programs.

**257** adult and child victims received non-residential supportive services related to transportation, housing advocacy, legal support, therapy, and more.

### 220 Hotline Contacts Received

Domestic violence hotlines are lifelines for victims in danger, providing support, information, safety planning, and resources via phone, chat, text, email, and more. Programs' hotlines received **220** contacts, averaging **more than 9** contacts per hour.

### 29 People Educated

Programs provided **4** educational sessions and trainings to **29** members of the public, addressing topics like domestic violence prevention and early intervention.

### 565 Unmet Requests for Services

Victims made **565** requests for services that programs could not provide because they lacked sufficient resources. Approximately **11%** of these unmet requests were for emergency shelter, hotels, motels, transitional housing, and other housing.

| Table 1: Services Provided on 9/6/23                           | % of Programs Providing Services |
|--|----------------------------------|
| Emergency Shelter  | 62%                              |
| Transitional or Other Housing (run by DV program)              | 52%                              |
| Bilingual Advocacy   | 33%                              |
| Support/Advocacy Related to Mental Health                      | 33%                              |
| Third-Party Translation/Interpretation Services                | 24%                              |
| Culturally Specific Services to Latino/Latina/Latinx Survivors | 24%                              |
| Support/Advocacy to Victims of Trafficking                     | 24%                              |
| Culturally Specific Services to Native American Survivors      | 10%                              |

❖ **“Our agency has experienced cuts in our federal funding, and the need to seek out additional funding sources takes time away from direct service provision. We are reaching capacity and the need in our community continues to grow. It may not be long before we are unable to fully meet the needs of victims in our area.” - Idaho advocate**
