

# DOMESTIC VIOLENCE COUNTS REPORT IDAHO SUMMARY

On September 10, 2025, **17 out of 20 (85%)** identified domestic violence programs in Idaho participated in NNEDV's Domestic Violence Counts Survey: a one-day, unduplicated count of adults and children seeking domestic violence services. Participating programs shared the following figures about the services they provided during the 24-hour survey period.

### 511 Victims Served

**279** adults and children found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local programs.

**232** adults and children received non-residential supportive services like transportation, housing support, legal support, therapy, and more.

### 123 Hotline Contacts Received

Programs' hotlines received **123** contacts, averaging **more than 5** contacts per hour. Domestic violence hotlines are lifelines for victims, providing support, information, safety planning, and resources via phone, chat, text, email, and more.

### 79 People Educated

Programs provided **4** educational sessions and trainings to **79** members of the public, addressing topics like domestic violence prevention and early intervention. Community education is essential to raising awareness and promoting resources.

### 319 Unmet Requests for Services

Programs were unable to meet **319** requests for help because they lacked sufficient resources, funding, and/or staffing. Approximately **10%** of these unmet requests were for emergency shelter, hotels, motels, transitional housing, and other housing.

Table 1: Services Provided on 9/10/25	% of Programs Providing Services
Emergency Shelter	53%
Transitional or Other Housing (run by DV program)	53%
Bilingual Support	47%
Court Accompaniment or Legal Support	41%
Prevention and/or Educational Programs	41%
Support to Teen/Young Adult Victims of Dating Abuse	41%
Culturally Specific Services to Latino/Latina/Latinx Survivors	35%
Support Related to Mental Health	35%

✘ "Recent federal funding reductions have created significant challenges for our program. **These cuts directly impact our ability to provide consistent, high-quality services to survivors and their families.** Maintaining adequate staffing levels has become difficult. Fewer advocates mean longer wait times for survivors seeking crisis support, case management, and advocacy services. This also increases staff burnout and turnover risk, further straining our small team."
