

DOMESTIC VIOLENCE COUNTS REPORT KANSAS SUMMARY

On September 10, 2025, **20** out of **22 (91%)** identified domestic violence programs in Kansas participated in NEDV's Domestic Violence Counts Survey: a one-day, unduplicated count of adults and children seeking domestic violence services. Participating programs shared the following figures about the services they provided during the 24-hour survey period.

727 Victims Served

408 adults and children found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local programs.

319 adults and children received non-residential supportive services like transportation, housing support, legal support, therapy, and more.

186 Hotline Contacts Received

Programs' hotlines received **186** contacts, averaging **nearly 8** contacts per hour. Domestic violence hotlines are lifelines for victims, providing support, information, safety planning, and resources via phone, chat, text, email, and more.

310 People Educated

Programs provided **14** educational sessions and trainings to **310** members of the public, addressing topics like domestic violence prevention and early intervention. Community education is essential to raising awareness and promoting resources.

56 Unmet Requests for Services

Programs were unable to meet **56** requests for help because they lacked sufficient resources, funding, and/or staffing. Approximately **61%** of these unmet requests were for emergency shelter, hotels, motels, transitional housing, and other housing.

❖ "One client expressed how much our support has helped her regain control of her life. With help from us and community agencies, she went back to school, found employment, maintained her sobriety, and obtained safe housing. **She says the support she received from advocates helped her believe in herself again.**" - *Kansas advocate*
