

DOMESTIC VIOLENCE COUNTS REPORT NEBRASKA SUMMARY

On September 10, 2025, **20 out of 21 (95%)** identified domestic violence programs in Nebraska participated in NNEDV’s Domestic Violence Counts Survey: a one-day, unduplicated count of adults and children seeking domestic violence services. Participating programs shared the following figures about the services they provided during the 24-hour survey period.

772 Victims Served

371 adults and children found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local programs.

401 adults and children received non-residential supportive services like transportation, housing support, legal support, therapy, and more.

217 Hotline Contacts Received

Programs’ hotlines received **217** contacts, averaging **more than 9** contacts per hour. Domestic violence hotlines are lifelines for victims, providing support, information, safety planning, and resources via phone, chat, text, email, and more.

325 People Educated

Programs provided **15** educational sessions and trainings to **325** members of the public, addressing topics like domestic violence prevention and early intervention. Community education is essential to raising awareness and promoting resources.

66 Unmet Requests for Services

Programs were unable to meet **66** requests for help because they lacked sufficient resources, funding, and/or staffing. Approximately **23%** of these unmet requests were for emergency shelter, hotels, motels, transitional housing, and other housing.

Table 1: Services Provided on 9/10/25	% of Programs Providing Services
Transportation	60%
Emergency Shelter	50%
Court Accompaniment or Legal Support	45%
Children’s Support	35%
Prevention and/or Educational Programs	35%
Support Related to Mental Health	35%
Support to Teen/Young Adult Victims of Dating Abuse	30%
Support Related to Health Care or Health Care Systems	25%
Transitional or Other Housing (run by DV program)	25%
Hotel/Motel Stay	20%

❖ **“We are facing a perfect storm: increasing numbers of survivors reaching out for services, increasing levels of violence, and decreasing funding.** Since 2022, our Victims of Crime Act funding has decreased 56%, impacting emergency shelter, transitional housing and supportive services. We are working with our collaborative partners to sustain critical services, but the safety net is fraying.” - Nebraska advocate
