

DOMESTIC VIOLENCE COUNTS REPORT NEW HAMPSHIRE SUMMARY

On September 10, 2025, **11 out of 12 (92%)** identified domestic violence programs in New Hampshire participated in NNEDV’s Domestic Violence Counts Survey: a one-day, unduplicated count of adults and children seeking domestic violence services. Participating programs shared the following figures about the services they provided during the 24-hour survey period.

222 Victims Served

118 adults and children found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local programs.

104 adults and children received non-residential supportive services like transportation, housing support, legal support, therapy, and more.

82 Hotline Contacts Received

Programs’ hotlines received **82** contacts, averaging **more than 3** contacts per hour. Domestic violence hotlines are lifelines for victims, providing support, information, safety planning, and resources via phone, chat, text, email, and more.

24 People Educated

Programs provided **3** educational sessions and trainings to **24** members of the public, addressing topics like domestic violence prevention and early intervention. Community education is essential to raising awareness and promoting resources.

19 Unmet Requests for Services

Programs were unable to meet **19** requests for help because they lacked sufficient resources, funding, and/or staffing. Approximately **68%** of these unmet requests were for emergency shelter, hotels, motels, transitional housing, and other housing.

Table 1: Services Provided on 9/10/25	% of Programs Providing Services
Emergency Shelter	82%
Court Accompaniment or Legal Support	64%
Children’s Support	55%
Support Related to Housing/Landlord	45%
Prevention and/or Educational Programs	36%
Transitional or Other Housing (run by DV program)	36%
Transportation	36%
Therapy/Counseling for Children or Youth	27%
Support to Trafficking Victims	18%

✘ “We connected with a survivor who had many significant safety concerns. It was clear that the most important service we could provide was a safe, comfortable environment for this survivor to share their experiences with a confidential advocate, for the first time ever. By the end of the appointment, **this survivor expressed trust in our organization that they said they couldn’t find anywhere else.**” - *New Hampshire advocate*
