

DOMESTIC VIOLENCE COUNTS REPORT WYOMING SUMMARY

On September 10, 2025, **21 out of 21 (100%)** identified domestic violence programs in Wyoming participated in NNEDV’s Domestic Violence Counts Survey: a one-day, unduplicated count of adults and children seeking domestic violence services. Participating programs shared the following figures about the services they provided during the 24-hour survey period.

176 Victims Served

115 adults and children found refuge in emergency shelters, transitional housing, hotels, motels, or other housing provided by local programs.

61 adults and children received non-residential supportive services like transportation, housing support, legal support, therapy, and more.

117 Hotline Contacts Received

Programs’ hotlines received **117** contacts, averaging **nearly 5** contacts per hour. Domestic violence hotlines are lifelines for victims, providing support, information, safety planning, and resources via phone, chat, text, email, and more.

14 People Educated

Programs provided **2** educational sessions and trainings to **14** members of the public, addressing topics like domestic violence prevention and early intervention. Community education is essential to raising awareness and promoting resources.

11 Unmet Requests for Services

Programs were unable to meet **11** requests for help because they lacked sufficient resources, funding, and/or staffing. Approximately **9%** of these unmet requests were for emergency shelter, hotels, motels, transitional housing, and other housing.

Table 1: Services Provided on 9/10/25	% of Programs Providing Services

❖ “Domestic violence and sexual assault programs like ours depend on federal funding to continue to operate. Services to survivors are essential. **I cannot imagine how our community would look if all services went away, or what the impact would be on survivors and their children.**” - Wyoming advocate
